A MESSAGE FROM THE CO-CHAIRS

THE PARTY CONTINUES

We are thrilled to have you join us for the thirty-second High Museum Atlanta Wine Auction. We have made some changes to streamline events this year to help stay focused on the spirit and purpose behind the Auction. We are so excited to see old friends come together and to welcome new patrons and winemakers into the fold this year. As they say, the more things change, the more they remain the same. At its core, the Wine Auction is the ultimate celebration with the best purpose – providing essential funding to help support our wonderful High Museum of Art. We could not do it without the generosity of our incredible community of benefactors, vintners, chefs, volunteers, and sponsors! We are so grateful for each one of you.

The Wine Auction provides us with an opportunity to join our beloved community of wine and art lovers to support one of our most important institutions in the city of Atlanta – The High Museum of Art. The funds raised at the Auction help make the Museum’s incredible collections, outreach, programming, and special exhibitions accessible to all. The High intersects culture and community by providing numerous ways for individuals throughout the community in all walks of life to engage, gather, learn and grow.

We are excited to celebrate with good wine and old and new friends alike, as we “Party with a Purpose.” Thank you for your support of the High Museum of Art!

PARTY WITH A PURPOSE

Each year, the High Museum Atlanta Wine Auction provides an opportunity for us to reconnect in support of something important — the mission-driven programs and special exhibitions at the High Museum of Art. In its thirty-second year, the Wine Auction welcomes more than one-hundred restaurants and vintners, creating an extraordinary experience crafted by our immensely talented Wine Auction co-chairs, volunteers, and the Museum’s professional staff.

We’ve made some changes this year, each of which are intended to keep this signature fundraising event compelling and unique. Your generosity as benefactors gave us the courage to make these changes possible—thank you!

To the vintners and restaurateurs joining and supporting us, thank you for providing some of the most flavorful and exciting experiences available to our patrons. Without you, this event would not happen! We’re so grateful for your ongoing investment and involvement.

I also want to express my heartfelt thanks to our co-chairs, Cathy Rhodes and Carli Reis. Your leadership encouraged us to evolve and make the Wine Auction even better for years to come. As always, many, many thanks to our sponsors and this year’s Special Guest of Honor, Cristian Vallejo.

Cheers to more years filled with wine, friends and love for the High.

HEAR ME NOW: THE BLACK POTTERS OF OLD EDGEFIELD, SOUTH CAROLINA
FEBRUARY 16 – MAY 12, 2024

The High will be the exclusive Southeast venue for this landmark exhibition featuring nearly sixty ceramic objects created by enslaved African Americans in Edgefield, South Carolina, in the decades before the Civil War. Considered through the lens of current scholarship in the fields of history, literature, anthropology, material culture, diaspora, and African American studies, these nineteenth-century vessels testify to the lived experiences, artistic agency, and material knowledge of those who created them. The works include monumental storage jars by literate potter and poet Dave (later recorded as David Drake, ca. 1801-1870s) and rare examples of utilitarian wares and face vessels by unrecorded makers, including a ca. 1840 water cooler jug from the High’s collection. Hear Me Now will also link the past to the present with work by leading contemporary Black artists who have responded to or whose practice connects with the Edgefield story, including Theaster Gates, Simone Leigh, and Woody De Othello. This exhibition is organized by The Metropolitan Museum of Art and the Museum of Fine Arts, Boston.

TRUTH TOLD SLANT: CONTEMPORARY PHOTOGRAPHY
MARCH 1 – AUGUST 11, 2024

This exhibition will feature the work of Rose Marie Cromwell, Jill Frank, Tommy Kha, Zora J. Murff, and Kristine Potter, five photographers who take unique approaches to documentary photography that challenge the principles of observing the contemporary world. The more than seventy-five works in the exhibition, including several from the High’s collection, exemplify a recent shift in how photographers have taken up the challenge of making meaningful images from the world around them in a lyrical way rather than utilizing the traditional approach of the dispassionate observer. These artists consider issues that documentary photographers have grappled with for decades and that remain pertinent to contemporary American life: race and inequality; identity and sexual orientation; immigration and globalization; youth and coming of age; climate change and environmental justice; and the uncanny pervasiveness of violence. There are overlaps and intersections of these topics within each body of work as the artists address the pulse of the moment while self-consciously skirting the direct and detached methods of traditional documentary photography. This exhibition is organized by the High Museum of Art, Atlanta.

DUTCH ART IN A GLOBAL AGE:
MASTERPIECES FROM THE MUSEUM OF FINE ARTS, BOSTON
APRIL 19 – JULY 14, 2024

This exhibition brings together more than one hundred paintings – still lifes, portraits, seascapes, landscapes, architectural views, and genre scenes – as well as prints, maps, and decorative arts spanning the seventeenth and the first half of the eighteenth century by the period’s leading Dutch artists including Rembrandt, Jacob van Ruisdael, Frans Hals, Jan Steen, Willem Kalf, and Rachel Ruysch. Representing the highest artistic achievement, these works are considered in the context of global exchange and colonialism. The display explores how Dutch preeminence in international maritime trade and the influx of new goods and information transformed life in the Netherlands and led to a remarkable cultural flowering. The art of this period reflects how the Dutch wished to represent themselves, their ideals, and their concerns. Few artists addressed the human toll of colonialism head-on, but many paintings reveal the influence of international expansion on Dutch art and society. The exhibition addresses these complex histories through up-to-date scholarship, contextualizing seventeenth- and eighteenth-century Dutch art in a fresh, compelling way.
Carli is honored to be co-chairing the 2024 High Museum Atlanta Wine Auction. She is thrilled to see the events unfold and have another incredible year to “party with a purpose.”

Carli has two school-aged daughters with her husband, Steve, and stays busy with the girls’ various sports and activities. She’s trying to make the most of this fun stage where her children are old enough to be somewhat independent and yet young enough to still want to hang out with their parents. Professionally, Carli is a licensed psychologist and splits time between her private practice and serving as the consulting psychologist at the Trinity School. Given her research knowledge and clinical experience with children, Carli is inspired by the High’s incredible community engagement to help provide children with access to the arts.

In addition to supporting the High Museum, Carli also serves on Odyssey Atlanta’s Mental Health Committee, the PaulUnited Committee (a local group that helps fundraise targeted research for Pediatric Cancer treatment) and is supporting the 2024 Cathedral Giving By Design event. In her free time, Carli enjoys spending time with her family, traveling, playing Mahjong, attending live music, cooking, and of course, learning about and enjoying delicious wine.

Cathy is honored and excited to co-chair the 2024 High Museum Atlanta Wine Auction. She and her husband, Scott, have enjoyed collecting wine and traveling to wine regions around the world for the last 30 years. She looks forward to bringing top wineries and chefs to the Wine Auction which will aid in raising money for High Museum programs that are near and dear to her heart.

In addition to the Wine Auction, Cathy has been involved with Children’s Healthcare of Atlanta as former chair of the Hope and Will Ball and she served as Chair of the Brookhaven Friends of CHOA. Other organizations that she volunteers with include the National Charity League, City of Refuge, and Agape. Her love of the arts led her to leadership roles for the Trinity School Spotlight on Art for several years and The Lovett School Fine Arts program.

Cathy and Scott enjoy visiting their three adult children, as well as hiking, biking and skiing. Cathy is the founder of Cathy Rhodes Interiors, a residential design firm based in Atlanta.

THE HIGH MUSEUM ATLANTA WINE AUCTION RAISES A GLASS TO THOSE WHO HAVE MADE A DONATION TO THE DICK DENNY PADDLE RAISE IN ADVANCE OF THE AUCTION.

Nena Griffith
Louise and E.T. Laird
Cristian Vallejo has spent 24 years in the wine industry thus far—all filled with inspiration, amazing experiences and worthwhile stories that have led him to who he is today. For Vallejo, wine has been a way to express his thoughts, feelings and personality, a way to share a deeper connection with others. Some people say that it’s an art, but for Vallejo, it’s the only form of art where there are two composers: nature and the winemaker.
Cristian’s story as a winemaker began at the Undurraga Winery in 1996 as a cellar hand and assistant winemaker. He used his time there to learn about the wine creation process from start to finish. In 1997, he worked at Portifica Universidad Católica de Chilé. While there, Cristian worked in viticulture with students and got involved in other wineries’ projects, such as the “Pueblo Antiguo winery,” where he and his students used ampelography to identify the different varieties (Cabernet Sauvignon, Carménère and Merlot) in the vineyards.

Some people say that it’s an art, but for Vallejo, it’s the only form of art where there are two composers: nature and the winemaker.

Vallejo then worked as an assistant winemaker at Valdivieso in Maule Valley in 1998 where they made a variety of whites including Sauvignon Blanc and Chardonnay. After the 1998 vintage, Cristian began working at TerraMater. While there (until 2007), Vallejo worked with consultants like David Morrison, Nick Butler and Patrick Valette. He created two ranges of fine wines: “Unusual” and “Mater” blends. The first was created in 2003 and was a blend of Cabernet Sauvignon, Carménère, Shiraz and Zinfandel. The second, “Mater,” had those same varieties with Sangiovese. During this time, Vallejo was the first Chilean winemaker to produce high-end Zinfandel.

In between, Vallejo spent time in United States at Franciscan Estate. Quintessa wine was crafted there and Vallejo made it a priority to learn more about one wine in particular—the Mighty Zin. Cristian also worked in Spain in 2001 and became an assistant winemaker at Clos Montblanc in the Barbera del la Conca region. His next journey led him to Château Margaux in 2003 where he worked with Paul Pontallier and Philippe Bascaules. This experience taught him how to create elegant, fine wine while learning French and making great friends that remain close today.

Vallejo fell in love with France and decided to go back in 2004 to work at Léoville Poyferré with Didier Cuvelier and his family. Two years later, he joined them to work at Château Le Crock in Saint-Estèphe. In 2005, Vallejo felt called to Saint-Émilion and worked at Château Berliquet. During that year, he also went to Italy to learn about Pinot Grigio at Cantina Toblino with Lorenzo Tomazzoli. He returned in 2006 to help with their viticultural management.

The next challenge began in November 2007 when he met Alex and Carrie Vik. At the time they had 30 hectares planted and 400 people working; that is when Vallejo saw so much potential. When Alex and Carrie invited him to be part of the team, he was confident there was enormous growth slated for the terroir with its different valleys, varying solar exposures, diversity of altitude and soils. All of this added up to one thing: complexity. He knew at that time a great wine would be crafted there.

Now that he and his fantastic team have planted the whole vineyard (323 hectares), and have built the winery and hotel, VIK is on its way to becoming one of the world’s finest wineries.

At VIK, three amazing wines are offered, each with its own artistic complexity that intersect at one common point, elegant and well-balanced tannins.

Vallejo, Alex and Carrie Vik pioneered the region and were the first to develop the DO Millahue. Now, they are working on two new projects: “Amphoir and Barroir.” These are both intended to showcase their terroir in the purest way possible. The word “Amphoir” comes from amphoras and terroir because they make the amphoras using the clay on their property. The name “Barroir” is derived from barrel and terroir because they toast the French oak barrels using their own oak from the property.

Vallejo’s robust experiences around the globe have made him a well-rounded winemaker who is enthusiastic about networking, innovating, and fostering his passion for wine.

2024 HIGH MUSEUM ATLANTA WINE AUCTION
CHARLES ANTIN, AUCTIONEER

We are happy to welcome Charles Antin to his first appearance at the Wine Auction!

Charles Antin is an international benefit auctioneer and fundraising consultant. He is also Global Head of Auction Sales and Auctioneer at Zachy’s Wine Auctions where in 2023 he was responsible for the consignment and auction of over $15 million of fine wine in New York, Europe, and Hong Kong. Before Zachy’s, he was a commercial auctioneer and charity auctioneer at Christie’s for nearly a decade.

He has auctioneered hundreds of benefits over the past decade including The Destin Charity Wine Auction, Premiere Napa Valley, Tipping Point, the Nashville Wine Auction and auctions benefitting dozens of hospitals, museums, and more. At Christie’s, he was the youngest licensed auctioneer in the Rockefeller Center offices and manned the rostrum for the sale of thousands of lots and tens of millions of dollars of wine, watches, Post War and contemporary art, Asian art, and single-owner collections.

Charles holds an MFA in fiction from NYU, a commercial pilot’s license, and his essays and fiction have appeared in Food & Wine, the New York Times, and elsewhere. An attendee of the High Museum Atlanta Wine Auction in the past, he is delighted to take the stage for the first time.

PRICING

The dollar figures shown on almost all lots are sometimes an educated guess, sometimes based on commercial auctions, and in almost every instance where donors or wineries have indicated values or retail prices, the dollar figure shown by the lot is lower; in other words, often, our estimates are a bargain. Bidding may begin below, and the final bid may be less than, but we hope considerably above the stated figure.

OUR TOP TEN LIST OF TIPS TO BIDDERS

Please read these; trust us, they will help.

1. We will spend more words on some of our winery lot descriptions of the people behind the wines than on the wines themselves, because in all cases, the wines are either outstanding or some of the best the winery has made. Do not expect a winery to try to make friends at our auction by giving us plonk. For instance, if it is Cabernet and you like Cabernet, you can assume it is not only good, but also likely exceptionally good to outstanding.

2. Some of our trips or special events are unique, tailored for our Auction, and some of our estimates for them are off the top of our head. And the lots may bring one-of-a-kind prices. Some other trips or events may be commercially available in a similar form to what is offered here, but in many instances, they are sold out and no longer available for the period described in our lot. We will try to be realistic in our estimates, but do not hold it against us if we brag about what a similar lot has gone for previously. And remember, if you think you can get it directly at a better price, go for it on your own.

3. Our Auction draws bigger and better lots every year, and we have limited the number in the Live Auction.

4. During the Live Auction do not forget to check out the Silent Auction lots, you may find a gem you want to take home.

5. Etched or painted bottles are sometimes works of art in themselves, and believe us, for some reason the wine in the bottles seems to taste better because the bottles are special.

6. **REMEMBER, TRIPS OR EVENTS—UNLESS OTHERWISE STATED—HAVE A ONE-YEAR-FROM-AUCTION-DATE EXPIRATION.**

7. Listen and pay close attention to the auction readers; they often have additional or revised information on a lot!

8. Put together a bidding group for the major events, dinners, or trips. It will help you compete in the bidding.

9. Check out the wines at our Vintners’ Reception; some of the wines in the auction lots will have been poured. If you do not believe our praise, you can try many of them yourself.

A FINAL TIP AND TWO TIPS OF THE HAT

We have bragged about him in several of our lot descriptions, but here is another word of thanks to catalog co-author Glenn Irwin, the Wine Gnome. His research has provided us with a mini-text book on wine regions, grapes, flavors, ratings, food pairings, and historical background. Hours of work went into this; read it, learn a little, and toast him when you see him!

And a second big thank you to the High Museum Atlanta Wine Auction Founder, Dick Denny! In 1993 Dick pulled together his Atlanta friends and his winemaker friends to put on the very first Wine Auction supporting the High Museum of Art. Thanks to his vision and the support of wine lovers like you, it has become the largest fundraiser for the High Museum of Art and the wine auction benefiting the arts. What a legacy!

Premier Grand Cru Classé Soirée for eight with Chef Christopher Grossman

- Multi-course dinner created by Chef Christopher Grossman
- Dinner paired with Premier Grand Cru Classé wines from the 2000 vintage

Sandra and Dan Baldwin are a force for good with the High Museum of Art; they are long-time supporters of the Wine Auction. Sandra served as Wine Auction Co-Chair in 2018. This past summer Dan was named Board Chair for the Museum. Sandra and Dan, for all that you do for the High, we salute you!

Sandra and Dan want to invite you to a premiere dinner party at their house. With this spectacular soirée, the Baldwins will enter the pantheon of world-class party throwers for the Auction. Space limitations prevent a listing of the pantheon members, but you know who you are. Here are the details:

A total of eight people will join Sandra and Dan in their home for a dinner to be prepared by The Chastain Chef Christopher Grossman. Unless you have been on a six-month vacation (without internet access) and just now got back, you know that The Chastain was honored by the Michelin Inspectors with a coveted green star which is awarded to restaurants that are “best-in-class” with regards to sustainable practices. Dan is inviting his longtime friend and sommelier, Joon Lim to help guests through their wine tasting journey of these impeccable wines. Joon will wax eloquently regarding the libations that are planned for this event. Your dining experience is sure to be superb.

Why the need for a sommelier? Well, Dan is pulling out all of the stops for this experience. He will be serving the top five “first growth” Premier Grand Cru Classé wines from the fantastic 2000 vintage. Premier Grand Cru Classé wines were originally delineated in a ranking drawn up by the merchants of Bordeaux at the behest of Napoleon III prior to the Exposition Universelle de Paris in 1855. They only included left bank Bordeaux red wines. It stratified the top wine from sixty-two châteaux into five crus or levels. The highest level was entitled Premier Grand Cru Classé – what are often referred to as “first growths.” The classification was determined using “turnover” or total sales as a proxy for quality. In 1855, there were four wines in the top tier: Châteaux Lafite (now Lafite-Rothschild) and Latour, both from the Pauillac commune, Margaux from the Margaux commune, and Haut Brion from Pessac-Leognan. After years of highly intense lobbying, Mouton-Rothschild was added in 1973.

Enough history, let’s look at the wines in the 2000 vintage. First, we will note that the 2000 vintage was one of the top vintages for left bank Bordeaux in recent history up until then and is still within the top vintages of this century. Four of the five wines received 100-point ratings at some time from The Wine Advocate, and the underperforming wine received 97.5 points. That’s an average score of 99.5. Which one didn’t make the grade? You decide when you drink it. We’re sure Joon Kim will be glad to tell you if your palate matched the raters. In addition to these absolute top-notch wines, Dan promises that there will be more. What a treat!

To recap, dinner for eight at the Baldwins prepared by Chef Grossman from The Chastain paired with wines from each of the five “first growth” 2000 Bordeaux vintage, plus extras. Although all the wines are in their peak windows, each is projected to last three more decades! The wine, alone, for this gig would cost $12,500 today, assuming two bottles of each.

Paddles way high for this extraordinary dinner!

Restrictions: Date to be mutually agreed upon by all parties. Lot expires March 2025.

We welcome Almacerro and Cornell Vineyards to their first visit to our Wine Auction!

Over twenty years ago, Vanessa and Henry Cornell purchased a plot of rugged, untamed ground in the Mayacamas Range just west of the Spring Mountain District. They discovered where vines had been tended by early settlers, and with respect for the land, they returned the rolling hillsides to vineyards. Under the guidance of winemakers Francoise Peschon and Elizabeth Tangney, Cornell Vineyards strives to make a Cabernet Sauvignon that is faithful to the terroir and to their principles as vintners. Their team’s radically modest approach allows for expressive, balanced wines with a sense of place and the ability to age gracefully.

Day one for three lucky couples begins with an arrival at Cornell Vineyards with a three-night stay at their three-bedroom guesthouse. Guests will enjoy a sunset Champagne Saber and a flavorful dinner - be sure to take in the breathtaking views of the Mayacamas Range! For breakfast the next day, enjoy delicious Model Bakery English muffins and pastries before heading out for a guided hike in the Las Posadas State Forest with Wild Vine Napa. Don’t fret, this is not a grueling hike. It will be more of a walk through the woods while hearing the local history of the area.

Next on the agenda will be a vineyard and winery tour, with lunch at Almacerro. At almost 1,800 feet and surrounded by forest on all sides, the Almacerro estate is the land’s end of Howell Mountain. There’s an untamed beauty and wildness to the area with its towering pine and oak trees, expansive views of the valley floor, and glimpses of the Mayacamas mountain range and San Pablo Bay. The...
wilderness of the land was the perfect place to farm with all the raw materials that allow for the utmost quality to create wine. Almacerro’s winemaking team, Francoise Peschon and Matilda Scott, embrace the wild, natural landscape and strive to capture this in the wines they create.

From there, everyone will visit Somnium in Calistoga for a vertical tasting. Somnium, which means dream in Latin, is owned by former professional racing driver Danica Patrick. In 2019, the Somnium Estate Vineyard because certified organic, furthering an ongoing commitment to quality and purity in every bottle of wine they craft. What better way to end day two than with a game of Bocce, fried chicken, and Champagne with the locals? The winery hosts have planned for their wine industry friends to bring their fines wines to share and savor!

Day three is sure to please everyone and starts with a VIP Copia behind-the-scenes tour, followed by a museum visit with bubbles. Next, everyone will make their way to the Arrow & Branch house for an appetizing library lunch. Arrow & Branch exists to showcase Napa Valley’s finest vineyard sites and the wines that come from them. These vineyards are all noted for having exceptional Napa Valley terroir. Their winemaker, Jennifer Williams, works closely with their vineyard manager to ensure optimal growing conditions for the vines to make certain their wines are made with precision, power, and elegance, but most importantly, true to the vineyards they come from.

Last but certainly not least, everyone will end the day with an “Open the Cellar” Cornell, Almacerro, and Arrow & Branch winemaker dinner at the home of Francoise Peschon. This unforgettable meal will be prepared by Francoise Peschon, Jennifer Williams, Matilda Scott, and Elizabeth Tangney. These incredible winemakers will include some of their favorite wines they have created and wines that have come to inspire them.

On the days of your wine tastings and visit to Copia, you’ll be escorted by the fine folks at Beau Wine Tours who are providing two six-hour days of transportation for six people. Welcome Beau’s owner, Thomas Buck, to our event. Tom also own Sire Estate. Thanks for your support!

In 2005, Dean Macfarlan spearheaded the restoration of Castello di Casole, a 900s castle set within a sprawling 1700-hectare estate. Originating as farmland and hunting grounds, the estate was subdivided into thirty-one farms in the 1800s, and their 54-hectare section now thrives with organic vineyards and olive groves. The soil on the estate is incredibly unique and composed of clay, limestone, sand, and granite—perfect components to create wines of greatness. For their 2018 vintage and beyond, Dean partnered with Michael Kennedy and Marc Gagnon who now oversee all winemaking and vineyard operations. Branded “La Caccia,” meaning “the hunt” in Italian, the estate pays homage to its history, featuring a hunting blind on the bottle reminiscent of wild boar hunting.

In 2017, the entire estate transitioned to organic production, breathing new life into the land. Cultivating this revitalized estate brings them joy, and they are privileged to share their wines and olive oils with you. Ultimate Jarvis Wine Collection: Verticals, Magnums, and Exclusive Experiences

- Six bottles of Jarvis UNFILTERED Finch Hollow Chardonnay in a Jarvis wood box
- One 9L bottle of 2014 Lake William
- One 6L bottle of 2016 Cabernet Sauvignon
- A private Founders’ Reserve Tour and Tasting at Jarvis for six guests
- Private luncheon for six
- Six-course winemaker dinner for up to 10 at Four Seasons Hotel Atlanta inside its 50th Floor Penthouse Ballroom

All Jarvis wines are produced from estate vineyards, located high above the city of Napa, in the beautifully rugged mountains between Mt. George and Milliken Canyon at the southeastern end of the Napa Valley. Spread across gently sloping meadows at one thousand feet above the valley floor, the vineyards benefit from the cool maritime air flowing over the Carneros flats. This natural cooling effect results in a temperature drop of about seven degrees for every thousand feet of vertical rise. Consequently, Jarvis vineyards enjoy cooler temperatures than the renowned Carneros region, fostering an extended “hang time.” This prolonged maturation allows for optimal flavor development and concentration at harvest, defining the distinctive character of their wines.

Embark on an exceptional wine journey with Jarvis as they unveil two exclusive verticals from The Vault, featuring hand-selected favorites from their wine library. The Jarvis Estate Cabernet Sauvignon Vertical invites you on a six-vintage exploration of balance and grace, while the Lake William Vertical connects each vintage with powerful elegance. Transform your events into retrospective tastings or savor these bottles slowly over time.

Indulge in the Jarvis UNFILTERED Finch Hollow Chardonnay collection, presented in a Jarvis wood box. For special moments, share the grandeur of a 9L 2014 Lake William and a 6L 2016 Cabernet Sauvignon with friends and family.

When your journey leads to Napa, relish a private Founders’ Reserve Tour and Tasting at Jarvis for six guests. The Founders’ Reserve Experience stands as their premier wine tasting, reserved exclusively for Inner Circle members and their guests. This exceptional offering highlights the rarest Reserve wines at Jarvis Estate, offering a unique and curated barrel-tasting experience. Afterwards, everyone will enjoy a private luncheon with Jarvis Estate.

To elevate this auction lot, enjoy a six-course winemaker dinner with Jarvis Estate in the Penthouse Ballroom at the Four Seasons Hotel Atlanta, an unforgettable night for you and your nine friends. Immerse yourself in an extraordinary experience at Atlanta’s cultural hub, creating memories to last a lifetime.

Ok, let’s start with the chef line up. This gathering of Top Chef Fan Favorite winners is unprecedented and likely never repeated. Getting these superstars together is truly a “wine auction miracle!!”

Chefs:
If you don’t know Kevin Gillespie then you have been living under a rock. Kevin was a finalist in the sixth season of Top Chef and was voted as the “Fan Favorite” contestant for the season and has become a “Fan Favorite” of Atlanta. He is the creator of Gunshow, critically acclaimed Southern restaurant Revival, and his upcoming restaurant Nàdair. Gillespie has received many accolades such as the GRACE Innovator Award, Food & Wine’s People Best New Chef, Forbes’ 30 Under 30, and reached the semi-final stage of the James Beard Rising Star Chef of the Year awards four consecutive years in a row.

Next, are the stellar wines that will be shared at the table.

Nate Ready - Hiyu Wine Farm
Nate’s passion and enthusiasm for wine is infectious. His project and life’s work, Hiyu Wine Farm, is a wild farm where cows, chickens, and pigs graze among vines and where fungi and flowers proliferate as gardens merge with forest. Located in Oregon twenty-two miles from Mount Hood’s snowy peak, Hiyu Wine Farm produces natural wine the old-world way. Nate believes winemaking and farming are inseparable. Plump pigs joyfully stampede down the slope of the vineyard, and ducks, speckled guinea fowl and Dexter cows keep the grasses down and fertilize the vines. Nate uses the principles of biodynamic farming to help him create the delightful flavors his wines are known for. These wines are challenging and changing the perception of domestic wine production.

Rajat Parr - Phelan Farms
You likely remember Raj as a former High Museum Special Guest of Honor or as a star from the multiple SOMM movies. Well Raj has hung up his sommelier tastevin and become a farmer. Possessing arguably the most finely tuned wine palate around, it’s no surprise that the wines from his Phelan Farms project have dazzled the wine world in a very short time. Phelan Farms encompasses the lessons of a life in wine and the vision of a vineyard intertwined with nature where philosophy is rooted in preserving and expressing their land’s natural state. Raj believes the land should be treated with love and respect to ensure that their vines thrive in tandem with the diverse species of microbes, plants, and animals that compose the ecosystem.

Raj Parr was, as mentioned, a globally celebrated sommelier and Nate Ready is a former Master Sommelier. With resumes like that we are sure these wines will challenge and delight.

Not sure we’ve ever had a lot populated with this much media and critical success. Don’t miss out on this singular opportunity to sit at the table with this much talent! Once in a lifetime gathering!!

Luxury for All the Senses

- Two suites for three nights for two couples at Vik Chile located in Millahue, Chile
- A tour and tasting at VIK Winery
- Winemaker dinner with Cristián Vallejo
- Two suites for three nights at either Bahia VIK or Playa VIK located in Jose Ignaico, Uruguay
- Private tour of the Pablo Atchugarry Museum

We welcome Special Guest of Honor winemaker Cristián Vallejo back to the Wine Auction this year and offer our warmest greetings and welcome to owners Carrie and Alex Vik!

In 2004, Carrie and Alex Vik set out with the audacious goal of making one of the world’s best wines. After a two-year scientific search, they found the best terroir in South America in Millahue (Cachapoal Valley) of Chile. VIK’s terroir offers a majestic and natural landscape composed of twelve valleys, each one with its own micro-climate, distinct exposures, all within a wind-tunnel cooled by Pacific coastal breezes and winds from high up in the Andes Mountains that provide VIK with enormous complexity and exceptional variety.

Located about two hours south of Santiago, Vik Chile is an art filled, 22-suite avant-garde retreat and wine spa located on the VIK vineyard. The vineyard retreat is perched on a hilltop above a lake at the center of this spectacular 11,000-acre vineyard with panoramic 360-degree views of the vines, multiple valleys, hills, forests, lakes, and mountains up to 1,000 meters with the majestic Andes Mountains in the distance. Their luxurious, original rooms invite you to rest and indulge all your senses in a one-of-a-kind experience – each room designed by a different artist.

Now recognized as the third best vineyard experience in the world and one of the World’s Best Vineyards, guests will enjoy the opportunity to tour the 11,000-acre VIK vineyard and winery to see first-hand how their philosophy of holistic viticulture is employed in the fields and their vinicultural process is utilized in the winery. Guests will then do a wine tasting of VIK’s exceptional wines. Ask about their on-site barrel toasting project, Barroir, while you are there.

Continue this incredible adventure in Uruguay! Playa VIK José Ignacio is an avant-garde beachfront retreat that features a central “Sculpture” building which is the heart of the compound boasting an important collection of international and contemporary Uruguayan art throughout. The building’s 55-foot inclined façade features a vast sliding wall of glass allowing guests to enjoy the majestic views of José Ignacio’s vibrant coastline. The bungalows at Bahia VIK are tucked into the breezy José Ignacio beach dunes, each bungalow design intentionally blends the interior and exterior to encourage maximum enjoyment of nature. Natural dunes covered in swaying beach grasses and other local flora divide the bungalows from one another, providing privacy for bungalow guests. These are two of South America’s most exclusive private retreats, situated in Uruguay’s idyllic, vibrant coastal area of José Ignacio, just twelve miles northeast of Punta del Este.   - Tour of Hess Persson Art Museum
  - Vertical tasting of The Lions Head Collection

In 2012, Sabrina and Tim Persson took over their family’s 30-year-old winery with a vision to forge a path for the next generation. They also hoped to create a new winemaking venture that was just their own. In doing so, the second-generation vintners faced more adversity in the wine business over the last decade than most do in a lifetime. Fittingly, the name Sabrina and Tim chose, Stalworth, signifies both the challenges they faced, their determination, resilience and inner strength.

Stalworth’s winemaker is one of Napa’s most acclaimed. Celia Welch arrived in the Valley in the late 1980s and has been a trailblazer for women in wine. Her track record over the last three decades is impeccable. Celia has made wines from every appellation within the valley, but it was in Rutherford where she cut her teeth. She has consistently made stunning wines that uniquely speak to their sense of place.

The winner of this auction lot and five lucky friends will enjoy a four-night stay at Sabrina and Tim’s 5,000 square foot private residence. The beautiful home is situated 1,000 feet up in the hills of Atlas Peak offering breathtaking views and a unique perspective of Napa Valley, The San Pablo Bay and San Francisco. The home includes an infinity pool, wrap around back patio to help guests take in the exquisite views, full kitchen, dining space and bocce court. During your stay, enjoy a delectable vintner hosted multi-course lunch or dinner showcasing delicious Stalworth wines along with wines from the Persson’s personal collection.

Guests will also receive a private tour and tasting at Hess Persson Estate. Hess Persson Estates is recognized as one of the premier family-owned and family-led companies in the world of wine. It stands committed to pushing boundaries and elevating standards to craft wines of distinctive character. During the meal you and your guests will enjoy a vertical tasting of The Lions Head Collection. Inspired by the winemaker’s craft, this collection is an expression of the next generation of wines.

Sabrina and Tim Persson created this collection to ignite conversation around the artistry of these wines, and the dynamic, captivating process of winemaking. From there, guests will do an ATV tour of the vineyard and partake in a tour of the Hess Persson Art Museum. The Hess-Persson family collects art with an uncanny ability to identify lesser-known artists who often go on to become well-known and highly respected in their disciplines. To sweeten your visit to Napa, Stalworth will get you and your guests reservations to the highly acclaimed restaurant, The French Laundry.

As part of the amazing experience, guests will take delight in a tasting at Cardinale Estate. Their winery is in the heart of Napa Valley in the celebrated Oakville district. At the tasting, guests will revel in the delicious Cardinale and Caladan wines by Christopher Carpenter. Carpenter is as multi-layered as the wines he makes. After graduating from UC Davis’s Viticulture and Enology program in 1998, he joined Cardinale, becoming winemaker in 2001. Equally an expert at grape growing as he is at making wine, he views vineyards in Napa Valley as his orchestra, and the grapes grown in its various sub-appellations are the individual instruments he conducts.

Restrictions: All dates must be mutually agreed upon. Dinner expense to The French Laundry is the responsibility of the winning bidder. Please redeem within one calendar year of purchase.

BRICK & MORTAR
SHELLY AND STEVE FRIEND/COLLECTIBLE FINE WINE
ROBERT GERSTENECKER

LOT 31

Carte Blanche

• An evening dinning/sharing wine with Matt Iaconis and Alexis Iaconis proprietors of brick & mortar, Shelly and Steve Friend, and Chef Robert Gerstenecker of the Meals On Wheels Chef’s Table for eight people

Shelly and Steve Friend are long-time supporters of the High Museum Atlanta Wine Auction. They often provide unique lots including spectacular wine experiences. So, buckle your seat belts and let’s explore this year’s edition.

Shelly and Steve have teamed up with brick & mortar and Chef Robert Gerstenecker to create an unforgettable food and wine experience. This dinner will showcase one of Sonoma’s finest and most distinguished winemakers and Atlanta’s very own Chef Robert Gerstenecker who continues to run one of the best kept secrets in Atlanta at MOWA’s Chefs Table. The wine will highlight some of the rarest producers/bottlings in France and Sonoma. For many of these wines, only a few hundred bottles were even produced!

Matt and Alexis Iaconis founded brick & mortar in 2011 and co-run the winery. They tell us: “Our all-lowercase name serves as a metaphor for our foundational philosophy - highlight the vineyard with minimal intervention, and run a winery that is down to earth, yet high performing. We firmly believe this philosophy embodies authenticity at its core. Our journey into winemaking has been driven by our shared love of drinking vintage champagne and white Burgundy.” Today, about half of their production is sparkling wine.

For the dinner, brick & mortar will present the following great wines:

• 2018 Manchester Ridge Blanc de Blancs: Bottle 8 of 1080
• 2016 Cougar Rock Chardonnay: Bottle 86 of 2100
• 2020 Ferrington Chardonnay: Bottle 69 of 660
• 2021 Cougar Rock Pinot Noir: Bottle 42 of 924
• 2020 Manchester Ridge Pinot Noir: Bottle 82 of 888

In addition, Matt and Alexis will be there to discuss the wines with you and your friends.

CONTINUED...
But wait, we are just getting started. Shelly and Steve are sharing their cellar of amazing Burgundy and Champagne they are so well-known for. Bottles will include:

- 2007 Salon Cuvée ‘S’ Le Mesnil Blanc de Blancs Brut
- 2014 Coche-Dury – specific appellation unknown
- 2017 Domaine Roulot Meursault Clos du Haut Tesson À Mon Plaisir
- 2018 Domaine Armand Rousseau Père et Fils Charmes-Chambertin Grand Cru
- 2018 Domaine Georges & Christophe Roumier Chambolle-Musigny 1er Cru Les Cras

Yes, the listing includes a Grand Cru and a Premier Cru plus Champagne, and a couple of Meursaults. Better yet, who knows what other goodies Steve might pull from the cellar? Whatever it is, you know it will be worthy of inclusion with these fantastic wines. The gauntlet is down for Chef Robert Gerstenecker to produce a meal worthy of all this great juice. But don’t worry, Chef Gerstenecker was previously the Executive Chef at the Four Seasons Hotel in Atlanta. Challenges like this get his creative juices flowing.

Thank you, Shelly and Steve Friend for putting this amazing package together!

Alma Fria
Located in the remote ridge tops of the West Sonoma Coast, Alma Fria produces elegant Pinot Noir and Chardonnay in a region where nature asserts more influence than man. Alma Fria was founded in 2012 after discovering a special vineyard amongst the coastal redwoods, near the village of Annapolis and Sea Ranch, and using those vines to produce their exceptional wines.

Aperture Cellars
The aperture of a camera lens changes the amount of light a photographer has to work with; at Aperture, they are shedding light on what Bordeaux varieties in the cooler pockets of Sonoma are capable of. Warm, sunny days and brisk nights ensure that every bottle bursts with freshness, no matter how generous the fruit. None other than Wine Spectator has described their wines as “plump, intense, and juicy” while remaining “clean and complex.”

Peay Vineyards
Husband and wife, Nick Peay and Vanessa Wong, grow and make the wine while brother Andy Peay sells their creations and runs the business. - Private tasting and luncheon for four adult guests at Revana Family Wines

- Private tasting for four adult guests at 4 Winds Winery
- Private tasting for four adult guests at Fe Wines

A Cult Winemaker Get-Away in the Napa Valley focuses on the wines of 100-point winemakers, Thomas Rivers Brown and Aaron Pott.

Post Parade Wines

Post Parade founder, Brook Smith, developed his love of Napa Cabernet thanks to Master Sommelier, Kevin Vogt, and vineyard owners, Paul and Suzie Frank. A partner in several bourbon ventures in Kentucky, Smith saw creating a Napa Cabernet Sauvignon as closing the circle in his luxury beverage investments. In 2010, Brook partnered with esteemed winemaker, Thomas Rivers Brown to produce Post Parade Wines. Sourcing from some of the most coveted vineyards in the Napa Valley, Post Parade focuses on site-specific Cabernet Sauvignons and Cabernet Franc. Named after the captivating moment when thoroughbred horses walk onto the racetrack, minutes before stepping into the starting gate, Post Parade is a culmination of hard work, planning and luck. Thomas and Brook believe this transcendent moment translates into their shared winemaking and viticultural vision. Four guests will enjoy a tasting and chef’s lunch at the winery.

Saint Helena Winery

Saint Helena Winery produces less than two thousand meticulously crafted cases of wine per year. Dedicated to the unique estate site, their stellar vineyard and winemaking teams, produce wine with the intention that each bottle be an experience of their elegant St. Helena Estate. The winery was founded with the 2000 vintage of Sympa Estate Cabernet Sauvignon.

For many years they sold fruit to notable neighbors Opus One, Merus and Quintessa. Today, Winemakers Aaron Pott and Associate Winemaker Lindsey Wallingford guide the creation of three estate Cabernets and one Sonoma Mountain Chardonnay. Four guests will relish a three-night stay in the Saint Helena Winery’s two-bedroom/two-bathroom vineyard cottage.
Revana Family Wines
Revana Family Vineyard was established in 1997 and is part of a portfolio of wine-growing estates that were founded by Houston Cardiologist and Sole Proprietor, Dr. Madaiah Revana, who immigrated to the United States from India in 1973. His vision has been to produce world-renowned, site-specific wines from exceptional vineyards. He has accomplished exactly that with three remarkable brands, each named on Wine Spectator’s Top 100 lists and located in California’s Napa Valley, Oregon’s Willamette Valley, and Argentina’s Uco Valley. Two couples will savor a private lunch and tasting at Revana.

Blackbird Vineyards
Founded in 2003, Blackbird Vineyards is an artisanal producer of Bordeaux-inspired wines. Blackbird Vineyards fosters long-term partnerships with premium vineyard sources throughout Napa Valley, where growers are passionate about their approach to farming. These vineyards are hand-selected for their health, superiorit and exceptional fruit quality, allowing Winemaker Aaron Pott to produce elegantly styled, appropriately balanced red wines that offer cellaring potential. Four guests will delight in a private tasting with a chef’s lunch at Blackbird Vineyards.

4 Winds Winery
Crafted by Winemaker Thomas Rivers Brown, the elegant blends that are their Library wines today were made from select small lots from neighboring Stelzner and Regusci Vineyards—both family-run for generations and part of the Napa Valley wine legacy. Both vineyards are sustainably farmed and meticulously cared for. Each vintage uniquely reflects classic Napa Valley, Stags Leap Cabernet Sauvignon—all pure, opulent and voluptuous. Expect layers of black and red fruits and spice in the glass. On the palate, 4 Winds wines exhibit flavors of blackberry jam, mocha and sweet new oak. Beautifully integrated tannins make for a broad mid-palate that finishes with elegance. Two couples will enjoy a private tasting at 4 Winds Winery.

Fe Wines
Fe (pronounced FEE) is the atomic symbol for iron, a substance that saturates their ruddy soil. Forceful yet malleable, iron is an element with profound magnetic properties, a mineral that courses through their veins, an alchemical metal that blossoms a patina with time. Inspired by the iron-rich earth, Fe is a wine of strength and beauty, forged for the ages. Winemaker Aaron Pott brings a Premier Grand Cru Classé mentality and a Burgundian education to Fe's cellar. His process begins in the vineyard, where they have planted the proportions of Cabernet Sauvignon, Cabernet Franc, Malbec, and Petit Verdot that they aim for in Fe’s final blend. Four guests will enjoy a private tasting at Fe estate.

Founded in 1969, the winery is located in Rutherford, CA – a premium Cabernet Sauvignon growing region in the heart of the Napa Valley. The deLeuze family has carried on the family legacy through ZD Wines for three generations. From the pioneering spirit of their early days, through today's commitment to world-class wine, gracious hospitality, and community, the deLeuze family shares their values in all they do.

Abacus, ZD’s legendary Napa Valley Cabernet Sauvignon, is a multi-vintage blend that artfully expresses the depth and complexity of a well-aged wine, infused with the forward fruit and intensity of a younger wine. Abacus is defined by ZD’s Reserve Cabernet Sauvignon, which they have produced every year since 1992. ZD Wines is pleased to offer a 3L bottle of Abacus XX Twentieth Bottling, a blend of twenty-five consecutive vintages from 1992 – 2017 of their Reserve Cabernet Sauvignon in one bottle. - Exclusive Vérité library multi-course lunch experience at the Vérité Château for up to six guests

Vérité

In 1998, the Vérité estate emerged from the collaborative vision of French winemaker Pierre Seillan and American wine luminary Jess Jackson. Vérité wines represent an amalgamation of timeless French traditions and the boundless potential of Sonoma County, an area renowned for its unparalleled diversity in grape cultivation.

Pierre Seillan’s winemaking ethos revolves around the principle of “le droit du sol,” honoring “the right of the soil.” He staunchly believes that wines ought to articulate the unfiltered essence of their terroir. To achieve this, Pierre meticulously oversees every aspect, employing a holistic and groundbreaking approach encompassing site selection, vineyard architecture, cultivation methods, winemaking, barrel selection, blending, and bottling.

Anakota

In France, the traditional vigneron farms a small estate vineyard and makes wines from those grapes. Rather than specializing in either viticulture or winemaking, as is typical in California, the vigneron has an intimate relationship with both the land and the cellar. Pierre Seillan is Anakota’s vigneron. Anakota gives Pierre the opportunity to create two classically structured, multifaceted Cabernet Sauvignons from two superb vineyard sites in Knights Valley. Pierre finds great freedom in producing pure and honest expressions of Knight Valley Cabernet Sauvignon as the wines are unblended.

Sarah and Dan Ebersole are multi-year High Museum Atlanta Wine Auction Benefactors. This year they have donated a mixed case of 2017 Pinot Noir – ten from Oregon and two from California.

Patricia Green Cellars started in 2000 by Patricia Green and Jim Anderson, both previously with Tori Mor Winery. Since 2012 the winery has made a distinct point of cataloging, by making wine from, sites that have relevance to the Oregon story of Pinot Noir. In 2021, thirty-six individual Pinot Noirs were bottled due to the diversified array of top-quality vineyards held by the winery. Green passed away in 2017 but Jim Anderson continues the tradition they started together. All the Patricia Green wines are well-received and generally awarded high ratings. The 2017 wines in this auction lot received ratings between 93 and 96 points from Josh Reynolds who reviews Oregon for Vinous.

Robert Brittan and his wife purchased a 128-acre Oregon estate in 2004. He had previously been a winemaker and estate manager at Stags Leap Winery in Napa for 16 years. He developed a passion for cool climate Pinot Noir and wanted to focus on producing his own, along with Chardonnay and Syrah. The three single vineyard wines were each rated 94 by Josh Reynolds. The Estate Pinot was rated 92.

The two Boedecker Cellars Pinots, the Bruliam and the Patz & Hall, are well known and respected. Ratings for these are generally in the low 90s.

The consistency of the reviews and the quality of the wineries represented in this lot demonstrate the Ebersoles’ dedication to collecting good Pinot Noir. If you need to add Pinot Noir to your cellar, this is the auction lot for you.

HIGHLY RATED CHARDONNAY AND MALBEC

LOT 106

Welcome Laura Catena to the Auction this weekend. Bodega Catena Zapata is a family-owned winery located in Mendoza, in the sub-appellation of Agrelo, Argentina. The winery structure is distinguished by its pyramid-like design based on Mayan architecture. The winery was founded in 1902 by Italian immigrant Nicola Catena and was passed to his son Domingo. Domingo’s son, Nicolás Catena Zapata (A.K.A. Nicolás Catena), was a pioneer introducing European winemaking techniques to Argentina, including the introduction of Malbec and vine growing in high altitudes. Nicolás Catena’s daughter, Laura Catena, and other members of the Zapata family have also been involved in the winery.

The Adrianna vineyard, planted at almost 5,000-foot elevation in the Andes foothills, lies on the westernmost border of Tupungato Alto, Mendoza, Argentina, in a small district called Gualtallary. It belongs to the Bodega Catena Zapata.

Being the highest vineyard in Mendoza, it benefits from the cooling effect of the Andes Mountains and intense sunlight resulting from extremely high altitude. The increased sunlight translates to thicker grape skins, because the grapevine attempts to protect its seeds from the sun. Adrianna is possibly the world’s most studied vineyard. The Adrianna Vineyard is well known for its single parcel Chardonnay wines White Bones and White Stones and its Malbecs, which have been highly reviewed by world wine publications.

The two three-packs of Chardonnay were rated 98+ and 98 points, respectively by The Wine Advocate. The magnums of Malbec were rated 97+, 98, and 99 respectively. Finally, the vertical was rated 97, 97+, and 98 respectively. Wow! Catena Zapata has labeled Adrianna vineyard as the “Grand Cru of South America.” With scores like these, it certainly isn’t hard to imagine why the analogy works so well.

As a bonus, and if you happen to be in the Mendoza, Argentina vicinity, Catena Zapata invites you to “please join us for a private vineyard tour of the Adrianna Vineyard followed by complimentary lunch for up to four people at the new Angelica Restaurant at Bodega Catena Zapata.” You know the lunch and tour will be exceptional.

Here is a magnificent horizontal of wines from the storied Adrianna Vineyard plus added bonuses. If the South American area in your cellar needs some attention, this is a super place to begin!

Restrictions: Winery visit expires June 2025.

The result was Cornerstone Cellars, and three decades later, they are making wines with constancy and classic varietal attributes that manage to be distinctively approachable (and delicious). Their DNA combines old-school Napa Valley ease with a welcoming Southern approach to entertaining, and the result is classic Napa wines that make any table and any dinner a little more welcoming and celebratory.

This illustrious forty-acre research vineyard holds historical significance, as it was once an integral part of the renowned To Kalon vineyard. With a legacy spanning over fifty years, the dedicated staff and students at the University of California, Davis have conducted pivotal viticulture research on this site, focusing on clone variations, rootstock experimentation, vine spacing, pruning techniques, and irrigation methodologies.

Nestled at the epicenter of the Oakville sub-AVA in Napa Valley, this vineyard benefits from a combination of optimal climatic conditions, soil composition, and geographical positioning, creating an ideal environment for cultivating world-class Cabernet Sauvignon, Cabernet Franc, and Merlot varietals.

Exclusive Two Night Sonoma Wine Country Experience

- Two-night stay with private wine and cheese/charcuterie pairing for up to four people

The origins of Enriquez Estate Wines are a story of complete fate and circumstances. Eduardo and Ana Enriquez, along with their daughter, Cecilia, came from New Jersey for a ski trip in Lake Tahoe. Unfortunately, the snow conditions were sparse, so the family decided to move their trip to San Francisco. On the way to the city, with a few accidental detours, they ended up in beautiful Sonoma County - the rest is history.

Good wine, good food and good friends was all it took for the Enriquez Estate Wine journey to take flight. After a long day of wine tasting, they joined one of the winery owners for dinner. As serendipity would have it, he also had a real estate license and discussions began about Eduardo and Ana retiring with a family wine brand in Sonoma County.

In June of 2011, Cecilia moved to Petaluma and “attached herself” to anyone who would teach her farming and winemaking practices. Learning the trade from some of the best winemakers in Sonoma County, Cecilia now produces about 1,000 cases annually on her own. Enriquez Estate Wines specializes in small batch Pinot Noir, Tempranillo, and unique white varietals from North California AVAs.

Spend two weeknights in their beautifully renovated quintessential vineyard cottage. Nestled on their Russian River Valley Estate, their two-bedroom unit provides ample living space, one bathroom, dining area, complete kitchen, TV, and outdoor patio with endless scenic vineyard views! You’ll also receive a private VIP wine and food pairing for up to four people during your stay. Located minutes from downtown Healdsburg in the heart of Wine Country, you are surrounded by many of Sonoma’s top wineries, craft breweries distilleries, creameries, restaurants, antiques, bars, music venues, theaters, museums, parks, redwoods, and the coast.

Restrictions: Availability based on mutually agreed upon dates, Sunday-Thursday only. Personal transportation necessary, no smoking, not suitable for children, check-in is after 3pm and check-out is at 11am. Expires: One year from day of event, (April 1, 2025).

DIO AND BRAD JENSEN

LOT 110

Super Tuscan Wine

• Six bottles of 2019 La Caccia di San Giovanni Rosso, Toscana IGT
• Six bottles of 2020 La Caccia di San Giovanni Rosso, Toscana IGT

Dio and Brad Jensen are great supporters of the Wine Auction and the High Museum of Art. Dio and Brad were Benefactor Co-Chairs for the 2023 event, they participated on the cultivation trip to California, and are Director’s Circle members. Dio and Brad, thanks for all you do!

The Jensens have donated a case of La Caccia di San Giovanni Rosso, a newer Super Tuscan. In 2016 Fiona and Hal Barnett, Barnett Vineyards winemaker David Tate, and Dean MacFarlan (a Dallas-based equity real estate investor) acquired a 133-acre property adjacent to a castle that dates back to 988 AD. The property is located not far from Siena, Italy. The castle is now renovated into the five-star Belmond Castello de Casole. The vineyard was planted on virgin vineyard land. The result is this new Super Tuscan.

The first three vintages featured a blend of 50% Cabernet Sauvignon, 40% Sangiovese, and 10% Petit Verdot. The most recent 2020 vintage is a blend of 50% Cabernet Sauvignon and 50% Sangiovese. The wines are powerful and built to last for decades. Neither the 2019 or 2020 vintage has been formally reviewed, however, tasting notes from informal reviewers are extremely positive. If you are looking for a new Super Tuscan for your collection that you can sample now and age out for the long haul, this is your lot.

CAYMUS VINEYARDS

LOT 111

Caymus Cabernets For Your Collection

• One 1.5L bottle of 2018 Caymus Cabernet Sauvignon “Special Selection”, Napa Valley
• One bottle of 2021 Caymus Cabernet Sauvignon, California
• One 1.5L bottle of 2021 Caymus Cabernet Sauvignon, Napa Valley
• One 3L bottle of 2021 Caymus Cabernet Sauvignon, Napa Valley
• VIP tasting for up to four guests at Caymus Vineyards, Rutherford
• VIP tasting for up to four guests at Caymus Suisun Winery

When the Wagner family started Caymus Vineyards slightly over 50 years ago, their little town of Rutherford - the center point of Napa Valley - was a very different place than it is today. People were just beginning to plant grapes instead of more traditional crops like prunes, walnuts, and grains. The Valley had no famed restaurants luring people to visit, and traffic on the roads was light. Everyone seemed to know everyone else. With all its natural gifts - from its climate to its quiet beauty - “Napa” was still largely undiscovered and felt full of possibility. That same look and feel back in 1972 exists today in a place that is only a 40-minute drive from Rutherford.

Suisun Valley lies to the southeast, separated from its more famous neighbor only by a county line. It, too, has a maritime climate, with warm days and cool nights, due to its proximity to San Francisco and San Pablo Bay. The Wagner family began an in-depth search of “the Suisun” in early 2014 and identified a few top-quality Durif vineyards in the hidden corners of this small, picturesque place (Durif is synonymous with Petite Sirah). As they set their sights on producing a Caymus-style wine from one of the world’s heavyweight varieties, they made a promise to themselves that the new wine bearing the Caymus name would have to be great - or, it would not be bottled. We are pleased to announce that this wine has made the grade!

Caymus Cabernet Napa Valley and Caymus “Special Selection” are two icons long present in any establishment that serves great steaks. Of course, their reach is much, much broader than that, but it is one of the early cult-like Napa Cabernets to establish the genre. With the 2021 vintage, Caymus is introducing “California” Cabernet that includes grapes from Paso Robles, and Lake, San Benito and Monterey Counties, among others.

Here is a sampling of their outstanding Cabernets, mostly in large format bottles. If that weren’t enough, Caymus is providing VIP tasting tours at both the Rutherford winery and the newer Suisun Winery which focuses on Petite Sirah and a Petite Sirah/Zinfandel blend. Yum! A tasty package indeed!

We extend a warm welcome to the Auction’s wonderful friend and supporter – Julianna Martinelli. Over the years, Martinelli has certainly been a steadfast supporter of the Wine Auction, and we thank you for your participation and contributions.

Proud to be one of the last bastions of family winegrowing in Sonoma County, Martinelli spans across five generations and more than 135 years. They have farmed the Martinelli estate vineyards with a relentless pursuit of quality and total dedication to their craft. These ideals are shared across their team, from the vineyard to the cellar to the tasting room and instilled in everything they do. Martinelli produces small lots of Chardonnay, Rosé, Pinot Noir, Zinfandel, Syrah, and Muscat of Alexandria. Some of the estate Zinfandel vineyards were planted in the 1800’s in a vineyard accessible only on foot or with mules.

The winning bidder will have the chance to experience a private tour and tasting for up to six guests at the Martinelli Winery’s historic Hop Barn in the Russian River Valley. They will pull special, rare wines from their library to taste, along with current vintages. Many bottles will be opened! The tasting will include a charcuterie board of local Sonoma County cheeses and salumi prepared by one of Martinelli’s favorite chefs. All accompanied by a member of the Martinelli family as your personal host. The three magnums will be presented at the winery. By the way, the Zio Tony Chard pulled a 96+ rating from The Wine Advocate and the Pinot Noir was just a couple of points lower. The 2020 Guiseppe & Luisa Zinfandel wasn’t rated; however, the 2021 rated 97 points – so you know it is wonderful.

Explore the world of Martinelli Estate with this spectacular experience! If you have never been there, you need to go!

Exceptional Pinot Noir

- Sonoma Coast lunch with the owner/winemakers

In the context of analog recording imperfections, Wow and Flutter mirrors the elusive essence inherent in winemaking. As passionate connoisseurs of music and vintners, owners Jenifer Freebairn and John Martin find it an apt metaphor for encapsulating Mother Nature’s enigmatic influence on their craft—a variable that persistently dances just beyond their mastery.

Jenifer Freebairn brings over fifteen years of expertise to Wow and Flutter. As VP of Marketing and Sales at Paul Hobbs and Kosta Browne she served as a pivotal co-conspirator in wine auctions during her tenure. Dedicated to crafting single-vineyard Pinot Noir, Wow and Flutter’s boutique production of fewer than 200 cases annually stand as tribute to the extraordinary vineyards and enduring relationships cultivated with their growers.

Sourced from the rocky soils of an elevated parcel within the esteemed Sun Chase Vineyard in the Petaluma Gap on the Sonoma Coast, their Pinot Noir embodies depth and finesse. Its aromatic profile resonates with dark berries and black tea while its graceful, elongated palate offers a silky texture. Concluding with a nuanced interplay of firm tannins and subtle spice notes, this wine encapsulates the essence of Wow and Flutter’s dedication to crafting exceptional Pinot Noir.

- Two bottles of 2015 Au Bon Climat Winery Pinot Noir “The Big One”, Santa Barbara
- Two bottles of 2017 Occidental Winery Pinot Noir “Occidental Station Vineyard”

Louise and E.T. Laird are long-time supporters of the Auction; Louise was Co-Chair of the Wine Auction in 2014. She and E.T. have hosted Winemaker Dinners and support the Auction through the generous lots they donate every year. We give a stupendous shoutout to E.T. and Louise for all they do for us!

It’s very clear that Louise and E.T. like to drink world-class Chardonnay and Pinot Noir. Aubert, Peter Michael and Occidental (Kistler’s Pinot Noir project) are among the very best producers Sonoma has to offer. Those ten bottles range from 95+ to 98 points from Parker’s *The Wine Advocate*. Each bottle is a single estate vineyard from their prestigious vineyards. It’s hard to top these wines.

Now we come to the Au Bon Climat Pinot Noir. This 2015 offering from Jim Clendenen was a special blend offered at the 25th Anniversary High Museum Atlanta Wine Auction. Most of you know that Jim was a staunch supporter of the Wine Auction from its inception until the time of his untimely death in 2021. He was a constant fixture at both Winemaker Dinners and at the Wine Auction. He frequently doubled or even tripled auction lots when the bidding would reach stratospheric levels. The “Big One” is among his finest efforts; these bottles sold at the auction for more than $200 each. After tasting this bottle, the Sommelier of Aria agreed that it was absolutely one of the best wines they have ever tasted from Au Bon Climat. This wine is no longer available for purchase, and it is impossible to put a value on a wine of this caliber.

Thank you, Louise and E.T. for sharing these wonderful wines with the Auction.

A Top-Of-The-Line Cabernet Sauvignon

- One 6L bottle of 2014 Ramey Cabernet Sauvignon “Pedregal Vineyard”, Oakville, Napa Valley

Robert Parker: “David Ramey is one of the few California winemakers who thinks in terms of structure, not just flavor, something that sets him apart from many of his peers.” David Ramey has one of the most impressive resumes for any California winemaker. He worked at Château Petrus in Bordeaux and for the legendary Christian Moueix (Petrus’ winemaker) at Dominus. He also consulted and worked for several high-end Napa Valley wineries. David is a member of a small tribe of scholar-winemakers who systematically researches and experiments how to make better wine. Of course, impressive resumés don’t guarantee impressive wines, but as our tastings over the years show, in David’s case the wines reflect the results of his careful, systematic research and experimentation carried out over the past three decades.

Of course, his first love is Ramey Wine Cellars, and he built an extensive empire of Chardonnays, Cabernet Sauvignons, Syrah, Pinot Noir and Cabernet Franc. This year David provided the Wine Auction with an etched 6L bottle of Cabernet Sauvignon “Pedregal” that he has signed. Ramey’s “Pedregal Vineyard” is his top-of-the-line Cabernet. Pedregal means rocky place in Spanish, and the vineyard was forged in the sheer rock outcropping of the eastern Oakville hillside. The finished wine shows why the effort was entirely worth it. The Wine Advocate awarded the 2014 vintage with 96 points. Both Decanter and Vinous (Antonio Galloni) awarded it 95 points. That is amazing consistency among the pundits. It is just now reaching its stage of peak maturity. It will likely extend for at least two more decades! How can you not want this gem for your cellar collection?

- One 3L bottle custom etched
- Three pack bottle of 2019 Sire Cabernet Sauvignon Houyi Vineyard
- Advanced placement on the wineries mailing list

The 2019 is a “purebred” vintage… 100% Cabernet Sauvignon, Clone 4 from Napa Valley’s famed Pritchard Hill. The winning bidder will receive a custom etched, hand-painted 3L bottle from Sire Estate, featuring their signature image of a 14th century king’s war horse. A beautiful and bold centerpiece for any wine cellar, as only eight 3L bottles were produced.

Additionally, the winner will receive an exquisite walnut wood three-pack from the same 2019 vintage, as well as advanced placement on the wineries mailing list (bypassing the waitlist).

“A classic intersection of the 2019 vintage and the unique site at Houyi Vineyard. The wine expresses a dark core with plush texture, and lush tannins that are layered and compact. The long, warm, even weather delivered a body with good minerality and acidity, finishing with resolved tannins and fruit expression ranging from the darker ripe blue fruits to the earthy tones. The French oak adds a rich expression and structure, delivering a wine that will age beautifully. A classic expression of Pritchard Hill.” - Julien Fayard, Winemaker

“Straight-up incredible juice, the 2019 Cabernet Sauvignon Houyi Vineyard is certainly up with the finest wines I’ve tasted from this vineyard. Beautifully pure currant and cassis-like fruits, notes of chocolate, graphite, crushed stone, and violets, full-bodied richness, and silky tannins all make for an incredible 2019 Cabernet that offers pleasure today yet will cruise for 15+ years in cold cellars. Made from a great site on Pritchard Hill..this is for those who love big, ripe, sexy wine.” - Jeb Dunnuck 97Pts

CHATEAU D’ESCLANS

LOT 124

Rosé All Day

• One 12L bottle of Chateau d’Esclans Whispering Angel 2022, Côtes de Provence Rosé

In 2006, Sacha Lichine, son of the late Alexis Lichine, one of the most influential wine writers and producers of the last century, purchased and restored the Château d’Esclans estate located thirty minutes north of St. Tropez. The vineyards from this property are planted in the heart of Côtes de Provence appellation up in the rocky limestone hillsides away from the warmer flatlands. The key grapes grown are Grenache, Cinsault, Rolle (Vermentino in Italy), Syrah, and Tibouren. Sacha partnered with Patrick Léon, former winemaker for Château Mouton-Rothschild, Opus One, and Viña Almavia, to create a new style of Rosé using Burgundian techniques and fruit harvested from a high percentage of old vines— the Grenache and Rolle vines are at least eighty years old.

Welcome the always dashing Paul Chevalier back to our tents this weekend. He’ll be the one in the brightly colored ensemble with the long, long line at his table. A true Atlanta favorite!

Don’t hate this wine because it’s popular. In this format, it’s the ultimate “porch pounder!”

Private Wine-Paired Culinary Experience

- Private lunch prepared by Culinary Director Joshua Mitchell for up to six people paired with Theorem’s world class estate wines

Indulge in a private culinary affair for six, featuring a delectable lunch meticulously crafted by their Culinary Director, Joshua Mitchell. This exquisite dining experience will be flawlessly complemented by Theorem’s finest estate wines, promising an unforgettable meal.

Kisha and Jason Itkin’s journey in Napa Valley began with a fascination for winemaking intricacies and a quest for property. In 2012, despite the neglected state of the Diamond Mountain District site—overrun by deer, derelict structures, and obstructed views—it captivated them. Inspired by its secluded beauty, they acquired the land, later known as Theorem Vineyards. Amidst significant historical buildings, they meticulously restored the Victorian home, schoolhouse, and Long Barn with architect Richard Beard’s expertise, preserving their essence while modernizing them. Their vineyard, once devastated by deer, surprisingly yielded exceptional Cabernet Sauvignon, shaping their flagship Voir Dire.

Expanding to 60 acres, their Diamond Mountain estate boasts vineyards, redwood forests, and pastoral land. Adding a 34-acre Moon Mountain District property in 2018 strengthened their winemaking legacy. Completing their custom-built winery in the same year, they opened Theorem to visitors, sharing their story and wines.

Through vintages, they have delved deeper into their vineyards’ potential, understanding there’s more to uncover. As Theorem continues unraveling the allure of Diamond Mountain, their journey, discoveries, and commitment to exceptional wines persist.

Three Magnum Bottles from Arkenstone

- One 1.5L bottle of 2018 NVD Cabernet Sauvignon
- One 1.5L bottle of 2019 NVD Cabernet Sauvignon
- One 1.5L bottle of 2020 NVD Cabernet Sauvignon

When Arkenstone made the decision to plant their vineyards, they were acutely aware that what attracted them to the magnificent Arkenstone NVD property was the rugged beauty of the natural setting. It was clear to Arkenstone that they would lose that native beauty if they took down trees and cleared radically for vineyards. Because of their choice to limit vineyards to previously cleared areas, they have been slowly finding additional outstanding fruit sources off the estate to continue to build their Arkenstone family of wines. They wanted to keep making wines from the steep, eastern volcanic mountains in the Napa Valley because they love the profile of this fruit. One of Arkenstone’s newest members of the family is their Arkenstone NVD Cabernet Sauvignon, created from this beautiful fruit. The meticulous oversight, both in the vineyards and in the winery by winemaker, Sam Kaplan, assures a solid note of consistency with their Arkenstone Estate wines. This is a classic Cabernet Sauvignon with some Mountain Sass. The balance of tannins, minerality, acidity and intense fruit concentration hit all of the notes on the palate and leave you with a satisfyingly long finish.

Over seven years, he cleared a billion pounds of volcanic rock and found water using unconventional methods. In 2016, E. & J. Gallo Winery acquired Stagecoach Vineyard, now Napa’s largest contiguous vineyard with 600+ acres. Nestled from Pritchard Hill to Atlas Peak, it boasts indigenous flora, fauna, and the historic Water Witch’s Well, embodying a remarkable tale of determination. The spirit of Black Bart, intimately connected to this verdant backcountry, endures.

Stringer Cellars

Stringer Cellars crafts their wines at Grand Cru Custom Crush in the heart of Sonoma County. It’s a true family endeavor: Casey Stringer takes the lead as the winemaker, Chip manages operations, Andrew and Tim, his brothers, contribute to marketing and sales, and Brooke, his wife, can often be found pouring tastings behind the bar.
